

Instructions how to create the Honours Review Style in Refworks

1. Go to refworks online
2. Go to bibliography tab
3. Click "output style editor"
4. Under style, select Chicago 16th edition (author-date system)
5. Under name, name the new style "Honours Review".
6. Under Citation type, select "in-text citations only".
7. Click "save as"
8. Click "edit". You now get this screen:

10. Under Bibliography tab, click Bibliography settings. This is the screen that follows:

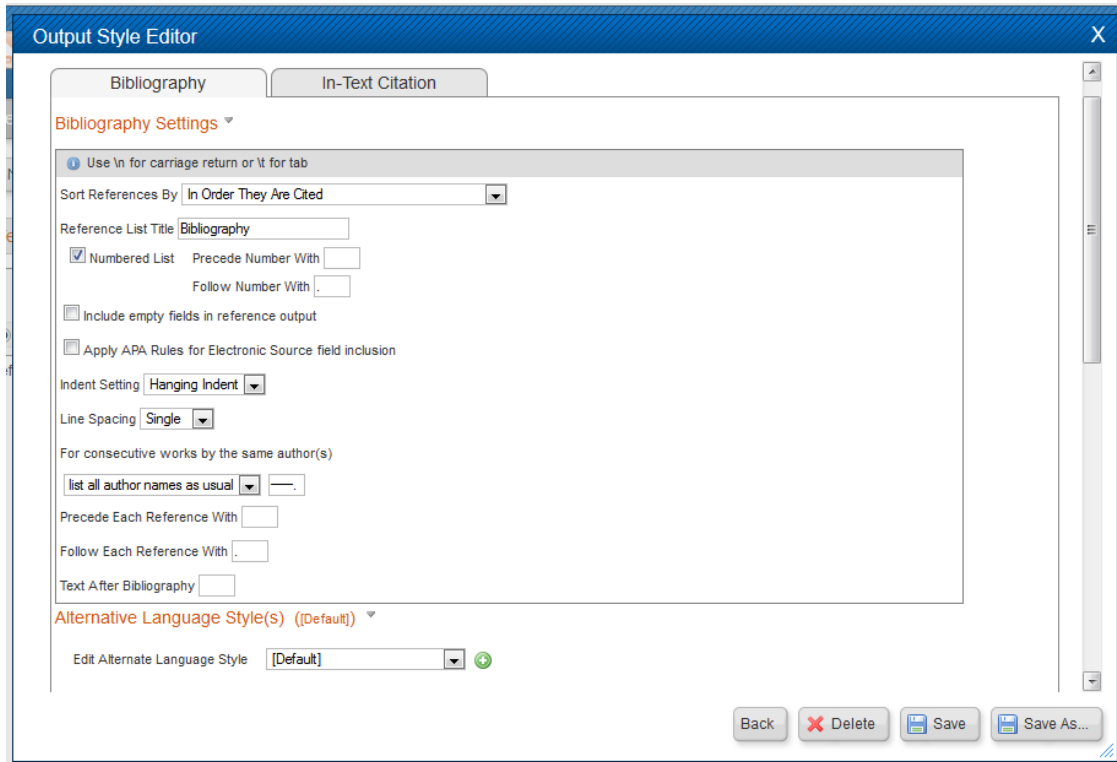

11. Now, under “sort references by”, select “in the order they are cited”.

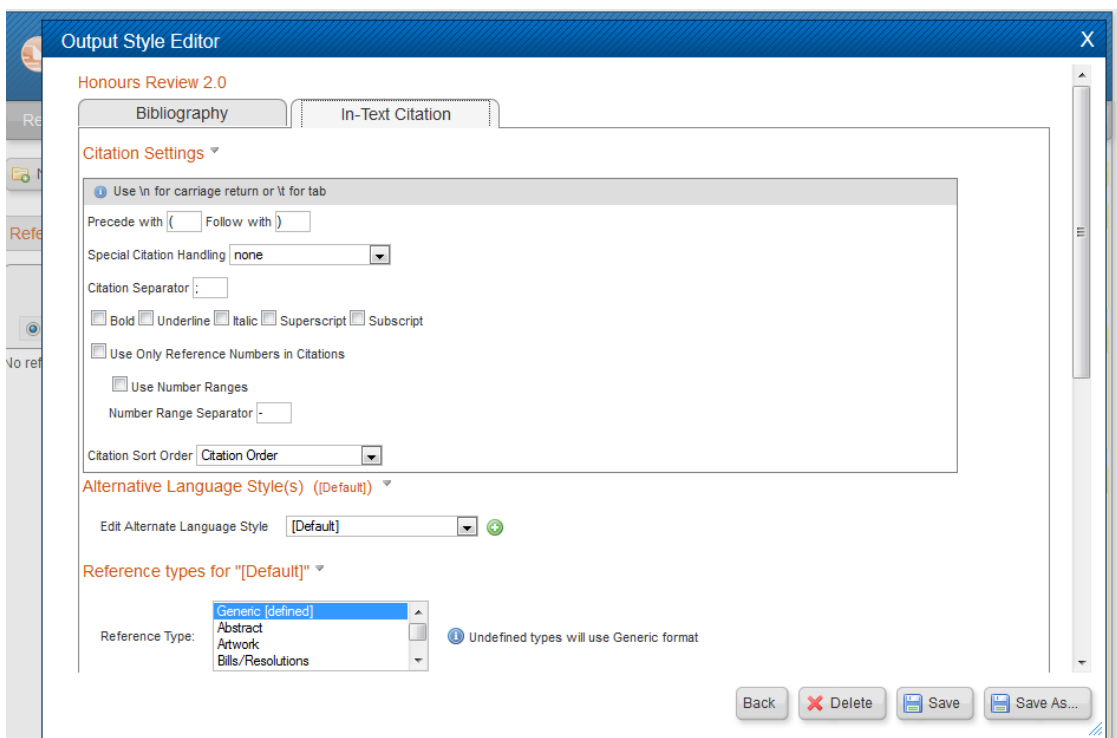

12. Click on “numbered list”

13. Change “substitute author names with” into “list all author names as usual”

14. Your screen should now look as follows:

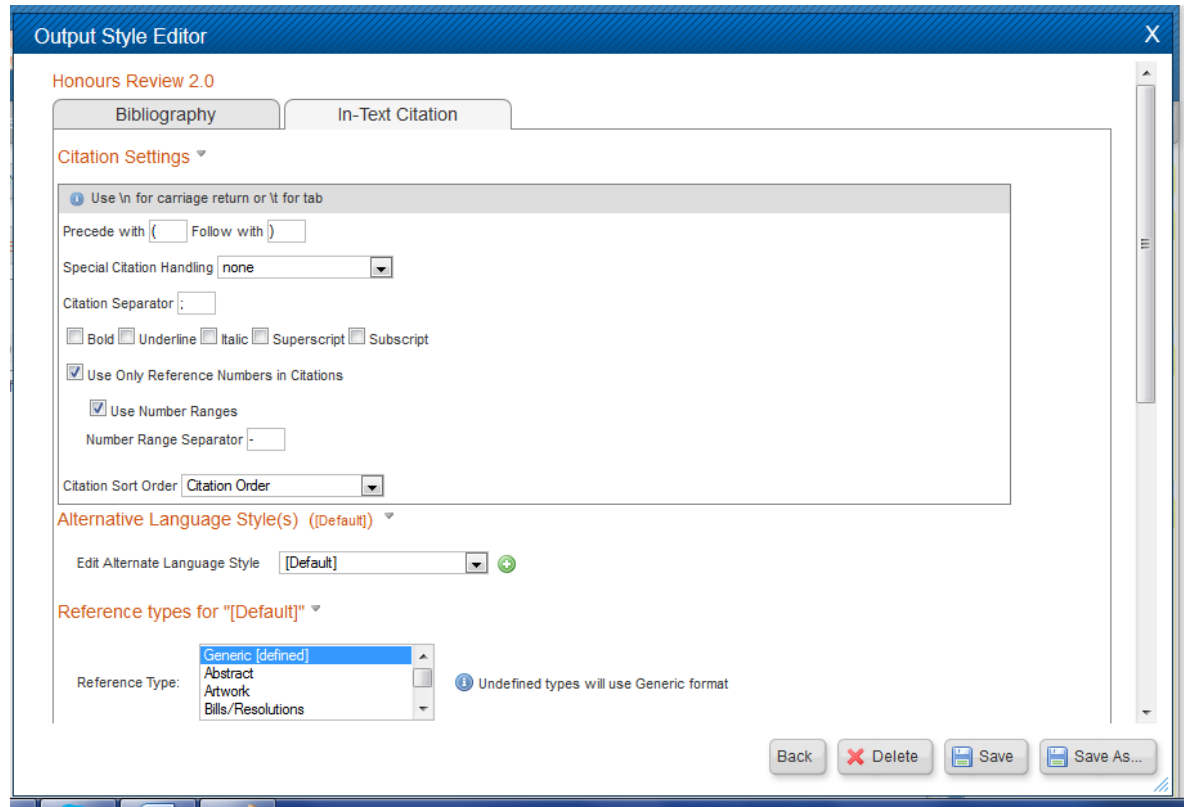

15. Then, click on the tab "in-text citation". You get this screen:

16. Click on “use only reference numbers in Citations” and on “Use number ranges”

17. Your screen should look like this:

18. Now, click “save”.

19. You’re now done! Honours Review Style is ready to be used!
